North Area Advisory:

- **High School Graduation:** There are some new requirements.
- **School County Budget:** Maureen Dinnen spoke about what is new. The Seminole Indian tribe money will no longer go to education. The Federal stimulus money is being used to fill cuts that were made in the budget last year and will create a hole in next year's budget.

New Business:

- **CSMS SAF nominations:** All positions are open. Contact Amy Abreu.
- **SAF Elections at the next CSMS meeting.**
- **North Area Advisory:** Positions are also open there. They are accepting applications.

Meeting adjourned at 9 am
